Through the Websistes, Users can also purchase products and/or services offered for sale on other sites on which APT Valsugana operates as a provider of the registration and sales service (Websites powered by APT Valsugana). Below are the **general conditions of sale of APT Valsugana, i.e. the general conditions of sale applicable to the services specifically indicated on the Websites as sold by APT Valsugana**, therefore with direct collection by APT Valsugana, in the event that the contract for the purchase of such services is concluded through the Websites.
